OUR MISSION

Set ablaze by God's love, we respond generously to the call of Christ Crucified and spread His Kingdom of love, joy, peace, justice, Equality and brotherhood in the world through our simple way of life. In all Our apostolate, Jesus Christ and the teaching of the Catholic Church is our Unchanging source of inspiration. May all who are in contact with us Receive the Seraphic Blessings of St. Francis in abundance.

BRIEF HISTORY OF F.M.C.K.

In the year 1936, Rome sent directive to all the mission territories urging the Ecclesiastical authorities to found Religious Institutes of indigenous sisters. MOSGR. Salesius thought that it was the opportune time to intensify the desire of Missions to have a Religious Sister. He revealed his plan to her and she fell into his plan. And on 11 August 1937. Miss Bridget Maria with other four companions came to live in a rented house at the New Catholic Colony, Karach They were following the Rule of the Franciscan Third Order Regular of St. Francis. They were given simple way of life. This tiny group of FMCK received recognition from Rome in December 1937 and was affiliated to the First Order of St. Francis. The congregation kept on growing steadily and spread its branches to Goa in 1946. In the course of time, the Sisters dedicated themselves to the evangelization and development of the poor, the oppressed, orphans, handicapped, sick, aged etc. through day care centres, dispensaries, maternity home, child welfare, home for the aged and home for the mentally, physically challenged and street children. Through our life and apostolate we inculcate moral, spiritual, ethical, social values and make them responsible citizens. We take up any form of apostolate in the mission according to the needs of the territory. On the 1st November 2002, this congregation was declared as the Religious Institute of Pontifical Right. In 2005 the congregation was divided into Provinces and Regions for better Administration.

OUR MISSION IN UMRER

The Sisters belong to the Christian Missionary Congregation "Franciscan Missionaries of Christ the King" (FMCK). The Sisters arrived in Umrer on 20 June 1977 with the help of Rev. Bishop Leobard, the then Arch Bishop of Umrer. The people of Umrer were thrilled to welcome the Sisters. Missionary work has already begun in Umrer through the school of St Joseph. To carry on this mission the Sisters started the administration of the well known school, "Modern Education Centre" on the premises. This School stands as the witness of the faith and commitment we offered quality education to the children of Umrer. We inculcated moral, Ethical, Social, Cultural, intellectual and all round development in our students. We take pride in saying that our students are doing well. The success of the school speaks in volumes of the quality service rendered by the FMCK Sisters in the field of education in Umrer. Now we have started a new chapter of the FMCK in Rajurwadi with the name ST. FRANCIS OF ASSISI SCHOOL RAJURWADI (CBSE). It is a growing school with classes from KG. I and STD. 1 in the academic year 2014 2015. Our full fledged school will be ready in near future. We thank the Almighty God and Parents for placing their trust in us.

ST. FRANCIS ASSISI SCHOOL

St. Francis Assisi School, Rajurwadi

Welcome to St. Francis Assisi School Rajurwadi.

St. Francis of Assisi is a saint for all time. He is our Patron Saint. He was the ardent lover of the nature. He discovered God the creator in His creation. He bound himself in the relationship of universal brotherhood. He experienced God as his Father and whole of creation as his brothers and sisters. He loved and respected the image of God in creation. This truth have been believed and accepted by the ancient Indian saints sages who withdrew to the Himalayas to quench their undying desire to meet God.

We the FMCKs inspired by these saints and sages wish to provide such healthy, natural, Eco-friendly conducive environment to our students. And inculcate in them the love for nature. We give a holistic education to be compassionate human being, spiritually enlightened, intellectually awakened, culturally and socially integrated persons. This institute tries its best to inculcate in every student the true spirit of social awareness and welfare of others. In these ways we strive towards the formation of character, discipline and individual responsibility according to the needs of our time.

Value education is a primary need of every little heart. Thus value education is the integral part of our school time table. Besides normal classroom teaching value education will be integrated in all the subjects of study and activities of scholastic and non scholastic areas. Bearing in mind the spiritual, physical, social, emotional and intellectual growth of every student various activities, programs and celebrations are made part of our study area.

Love and up-liftment of the poor and marginalized is the preferential virtue of FMCKs. Jesus Christ being our source of inspiration, simple life style and service is our identity. We value relationship, feel and care about the sufferings of others and teach the young generation to be compassionate, develop skills and become charnels of social transformation and ambassadors of Universal Brotherhood.

Brief History Of St. Francis Assisi School **Rajurwadi.**

Brief history of St. Francis Assisi School Rajurwadi

We belong to the Christian Missionary Congregation, namely Franciscan Missionaries of Christ the King (FMCK). St. Francis Assisi School at Rajurwadi is the fruit of the dedicated service of FMCK Sisters in the field of education for 38 years in Umred area. On the 20th June 1977, Four FMCK Sisters arrived Umred with the invitation of Rt. Rev. Bishop Leobard, the then Arch Bishop of Nagpur Diocese. The people of Umred were thrilled to welcome the new arrivals. The sisters worked tirelessly and with full dedication and brought Modern School to be one of the renowned schools in Nagpur. This school stands as witness of the dedication, commitment and quality education imparted by our sisters to the people of Umred.

We stand for values rather than compromise with it. We inculcate moral, Ethical, Social, Spiritual, Intellectual and all round development in our students. Inspired by the teaching of Jesus Christ (). We handed over the administration of Modern School to WCL and moved out to Rajurwadi to establish a school with nine students. Now the number of students has risen to more than 7 hundred. Seeing the progress of our student and dedication of our teachers the people of this area have great hope for the holistic education of their children. It is a catholic school; we work not only for intellectual development of our students but for the integral development and for the education and formation of character by inculcating sound moral, moral and ethical values and bring up resourceful citizens for our time. We have taken up the responsibility to realize the hope of the people. We wish that St Francis Assisi School at Rajurwadi be affiliated to CBSE. Hence we seek your co-operation to ensure our dream for better future of our students come true.

Thank you

St. Francis Assisi School, Rajurwadi

St. Francis Assisi was born in the year 2015. It started in its initial stage with a handful of 9 students. When we started St. Francis Assisi School, the sisters of FMCK, sat at the road side of Udasa village for the admission. The sisters worked very hard to get admission. They were just waiting with a great hope that someone should turn up. This way with a great difficulty they manage to get 9 students that year. The sisters and teachers worked hard to inculcate knowledge in the students, at the end of the academic year the students came out with a flying colours. Seeing the hard work of sisters, teacher and the improvement of children in the areas of physical health, moral values, social, mental and above all in their studies. the parents of these students spread the message, the good news of the hard work of sisters, to the people around. the next year admission started coming without any obstacle. the sisters haven't to do any much advertisement. this was one of the great achievement of St. Francis Assisi School.

The school is located around 10 k. m. away from the town called, Umred. The students come from Umred, WCL (coal mine) and many other neighboring villages. the parents seem to be happy with the progress and the efforts their children are making in learning.

Friends this tiny school has today grown into a big tree. Today St. Francis of Assisi school has reached up to 7th standard. the strength of the school is 700. During the academic year we conduct different activities. The students are very much interested in taking part in the activities, even the parents encourage their words to participate in the activities those are held during the academic year. The students are also keen in learning languages. We in our school encourage the students to speak in English. The students from 2nd standard onwards are all trying to speak in English, those in the 5th, 6th and 7th are able to speak in English. This is also one of the greatest achievements of St. Francis Assisi School.

Every parent's want that their children should be educated in Good school, good facilities, good infrastructure, different types of activities and good environment, so that their children can grow in all areas of life. St. Francis Assisi School is trying to give all these facilities to the students.

Beside the academic we also give opportunity to our students to take part in sports like karate, skating etc. our students take part at district level competition and many other competition held. The students also took part in non stopping eight hours continuous skating competition. Many of our students have won the prizes. It is great pride for the school.

We also annual function (parents Day) every year. We encourage that all the students should take part in the annual function. Because of this the students grow in the stage fear, they are able to face the crowd, they grow in confidence. Each year we have different themes for the annual program. Each class is given a topic to be performed .the teachers and the students all work hard to bring up this day with a flying colors. The parent of the students is also very supportive. This encourages the management and the students to take initiative for every new activity and the challenges that come its way. Our annual functions have always been amazing, energizing and wind blow experience for us management, teachers, students, parents as well as for the well wishers.

This gives us pride to say that we all make a wonderful family of St. Francis Assisi School.

We also try to organize some summer camps for the students those who are interest. it is not compulsory that every students should take part but we respect their freedom.

This is the way we help our students to develop in all areas.
